4th Annual The Joy Fund Memorial Golf Classic

TO BENEFIT THE CYSTIC FIBROSIS FOUNDATION

Monday, July 27, 2015
Blue Hill Golf Course
Pearl River NY 10965

The Joy Fund was established in memory of Nicole Joy Frame and her unborn son Robert Louis. Nicole was born with Cystic Fibrosis and lived her life with tremendous Joy. Our mission is to insure that they live on through donations from The Joy Fund to the non-profit organizations she was so passionate about.

The Cystic Fibrosis Foundation (CFF) – Greater New York is dedicated to the advancement and understanding of cystic fibrosis, as well as the creation of new treatments in order to find a cure. CFF is a nonprofit donor-supported organization, is the primary sponsor of critical research that is making tremendous strides to cure and control this fatal, genetic disease. The Foundation also funds patient/family education and accredits and funds a nationwide network of 115 CF care centers and 54 affiliate programs, which provide comprehensive, specialized care and support to more than 30,000 people with CF and their families. Please support our efforts to find a cure through your participation!
